2010 INTENSIVE PRACTICAL JAPANESE - IMPROVE YOUR CONVERSATIONAL PROFICIENCY -

The Japan Society's popular intensive Japanese conversation courses will be held at the Toyota Language Center from April 26 to May 25. These courses are designed to supplement the Toyota Language Center's regular course offerings. The curriculum is conversation-intensive, with the aim of strengthening the student's ability to communicate effectively in both business and social situations. The materials used will emphasize the vocabulary and grammar useful in everyday activities. Each class meets twice a week for a total of 18 hours of instruction.

LEVEL I (Introductory)

For students with no previous background in Japanese. Elementary conversation, vocabulary and simple sentence structure will be taught.

New Class

LEVEL VI (Advanced) higher than Level 10 of our regular Japanese Course.

For students who have already achieved excellent Japanese conversational skills and who seek the occasion to use their expertise. In this advanced class, the Japanese four-character idiomatic compounds (四字熟語) will be introduced. For mastering 四字熟語, the students will study and discuss usage of the compounds in this informal yet top-level class. Their proper use will make students' vocabulary even richer and their conversation more literate.
