

CORPORATE MEMBERSHIP BENEFITS

Japan Society Corporate Membership offers uncommon access to the people and issues that define U.S.-Japan relations in a global context. Corporate members benefit from an extensive array of business and policy programs, knowledge-sharing and networking opportunities, cultural and entertainment experiences, discounts on events and facility rentals, as well as opportunities to enhance brand awareness within the business community. Based in the world's center of arts, culture, and finance—New York—our reach spans the globe through active collaborations with partner organizations in the U.S., Japan and beyond, helping your company stay informed and relevant in the Japan-U.S. space.
