INSTRUCTIONS
1. Cut out facial features.
2. Place blank face on floor/table.
3. Blindfold one player.
4. Other player provides verbal instructions on placement of facial features (up/down/left/right/etc.).
5. Once all pieces are placed, remove blindfold.
6. Enjoy (and laugh) at the silly face created!

FUKUWARAI
“LUCKY LAUGHS”

Played during the New Year, this traditional Japanese game is both educational and enjoyable. The object of the game is to place the appropriate facial features on the blank face, as another player coaches.
